

Preventing and Controlling TB in Correctional Settings Webinar Series

Preventing "and" Controlling TB in Correctional Settings Webinar Series **Author:** Minnesota Department of Health Tuberculosis Program

Publication Date: 2014

Format: Webinar

Physical Description: Four 60-minute archived webinars

Language: English

Abstract:

These four webinars highlight challenges, legal requirements, and best practice strategies for preventing and controlling TB in correctional facilities. These webinars were produced by the Minnesota Department of Health in consultation with several local public health agencies and correctional agency staff.

The four webinars include: Module I: Background and Introduction Module II: Screening and Management of Offenders Module III: Treatment of Latent Tuberculosis Infection (LTBI) Module IV: Active TB
